Activity Log Tab

Viewing the Event Activity Log · https://ivolunteer.com/support-docs/activity-log-tab/

The **Activity Log** tab allows you to see the most recent activity for an event. This includes:

- **Event Saves:** When an event is saved and who saved it.
- **Event Confirmations & Cancellations:** When someone confirms or cancels for an event.
- **Event Emails Sent:** Whenever an email is sent for the event.
- **Event Email Bouncebacks:** When an email bounces back to the system for the event.

This tab is refreshed automatically every 30 seconds.
