Adjusting Event Settings · https://ivolunteer.com/support-docs/event-logo/

On this tab you may select or upload a logo to appear in Instructions, Messages, Emails, and Facebook as well as on name badges.

- Click **Set Logo...** and then click **Select...** to choose an existing image or to add a new one. Optionally provide your preferred width, height, and alignment for the image.

  Note: If you are uploading a large image, you will want to scale it down in size so that it doesn't overwhelm your signup sheet.
- Click **OK** to save your changes.
