How do I cancel a commitment / slot?

Volunteer Help · https://ivolunteer.com/support-docs/how-do-i-cancel-a-commitment-slot/

Go to My Commitments in the browser that you used to sign up for your slot(s):

https://participant.ivolunteer.com

Click on the upcoming volunteer slot and then click the **Cancel** link at the bottom.

*Note: If you DO NOT see a **Cancel** link next to a commitment it could be because:*

- *The event does not allow self cancellations*
- *OR, it's too close to the event to self cancel.*

In either of these cases, you should contact your event coordinator if you need to cancel.
