Preview an Event

Editing Event Details · https://ivolunteer.com/support-docs/preview-tab/

The **Preview** tab allows you to see the event signup sheet just as volunteers will see it. The preview tab can be helpful to use while you are making changes to your event. Use the **View as** field to see how the signup sheet will look for different viewers.

Note: The preview tab will only show saved changes. Be sure to save any changes you make to see how they will look in the preview tab.
